

permits the greatest insight into why modern change happens the way it does. The name given to that one dramatic moment in an epidemic when everything can change all at once is

the tipping Point

How Little Things Can Make A Big Difference

Malcom Gladwell

I am a strong believer in the separation of church and state... But what I also think is that we are under obligation in public life to translate our religious values into moral terms that all people can share, including those who are not believers.

Barack Obama
