Recommendation Survey:**Instructions:**

The student requesting a recommendation from you is applying to an international program or exchange sponsored by the University of Washington. As a participant in this program, the student will be required to complete a full schedule of academic work while abroad; thus, he/she must be highly motivated, emotionally mature and able to easily adapt to people with different social and cultural backgrounds. Your candid appraisal of this student would be greatly appreciated, as it enables us to determine the applicant's suitability for this program or exchange. We thank you in advance for your cooperation, time and honest evaluation.

(This survey consists of nine questions and optional comments.)

(*) Indicates the question is required.
