

ESS 203 *Glaciers and Global Change* Winter 2020
Wednesday January 22

Writing assignment due Friday Jan 24

Please read Chapter 5 (pages 65-88) in text *Frozen Earth*.

- In a couple of sentences, explain why Macdougall thinks James Croll was an “unlikely” scientist.
- In a page or less, outline Croll’s contribution to ideas about why ice ages happen.
