

**ESS 203 *Glaciers and Global Change* Winter 2020**  
**Friday February 14**

**Writing assignment due Wednesday 19**

Please read

- *Frozen Earth*, Chapter 9, “Coring for the Details”.

In a paragraph (~200 words) for each, summarize

- one key result from coring sediments on the sea floor, and
- one key result from coring polar ice sheets.

Knowing this material will also be helpful preparation for Lab next week.
