

ESS 203 *Glaciers and Global Change* Winter 2020
Wednesday February 19

Due Friday February 21:

Group Term project updates

Please turn in a 1-page report from your group including:

- - A paragraph outlining the topic for your group presentation and paper.
- Complete reference citations to your popular press source or sources.
- Complete reference citations for at least 2 *reliable* sources that you have identified (e.g. peer-reviewed articles or government reports) that served as sources, or that cover the same topic closely.
- Tell me who in your group (if anybody) intends to do the optional W (Writing) credit.
