

ESS 203 *Glaciers and Global Change* Winter 2020
Wednesday March 11

For Friday March 13:

- (a) Please read Chapter 12 in *Frozen Earth*, p. 232-244, “Ice ages and the future”.
- (b) In no more than a page, describe your expectations about ice on Earth on 10 years, in 100 years, 1000 years, and 10,000 years.
