

1a. Using the website <http://www.outfitters.com/genealogy/land/> as a reference, identify section 28 of township and range T 2 N, R 3 E.  
(The darker lines are the base line and the meridian lines, and NORTH ↑)

1b. The following diagram is the 1/16<sup>th</sup> sections of township 28. Identify the SE ¼ of the NW ¼.

2. How does the township and range system compare to the metes and bounds system of land surveying and why is the township and range system more accurate?  
(Use the website <http://www.outfitters.com/genealogy/land>),
