LING 454   Summer 2012

Homework 5

The data to be analyzed are 9.3 (p. 280) and 10.1 (p. 306).

Re 9.3, Campbell talks about *disease* on p. 261 and *starve* on p. 255, but you should double-check what he says by looking up these words.

Re 10.1, there is a typo in the data in (10). The example should read:

(10)   maestro   nəh   kən

       teacher   nəh   that.guy

'That guy is a teacher there'

The homework is to be uploaded to our class CollectIt site, and is due Monday July 16 at 2:45.
