

Homework No. 6

Note: In view of the midterm scheduled for Friday 17 Feb., 2006, this homework is not to be submitted. You should do it on your own and then review the solution (to be posted on Wednesday Feb. 15) in preparation for the exam.

Part A: Read/review the following topics:

Review the lecture slides on casting, and read the corresponding sections from Chapter 6 and 7 in the textbook.

Part B: Do the following Problems in preparation for midterm:

Chapter 7: A1, A2, A6, B11, C6.
