# MEBI 590, Fall 2007

## Biomedical and Health Informatics Lecture Series

### Syllabus

Course Organizer: Peter Tarczy-Hornoch  
Office: HSB I-264A  
Office Hours: By appointment  
e-mail: pth@u.washington.edu

Class Meeting Time and Location:  
Tue 12:00-12:50 HSR RR-134

### Course Description

This public lecture series covers current topics and developments in Biomedical and Health Informatics (BHI). Presenters include faculty, students, researchers and developers from the University of Washington, other academic institutions, government, and industry (locally and nationally). The intended audience is the broader University of Washington and Seattle area community with an interest in BHI as well as BHI faculty and students.
