

Errors in Chapter 7:

Pg. 399:

Step 2: Equation numbers listed in the last sentence are incorrect. The  $A_{ij}$ ,  $B_{ij}$ , and  $D_{ij}$  matrices are calculated using Eqs (27a), (27b), and (34) of Chapter 6, respectively.

Step 3: Equation numbers are incorrect. Thermal and moisture resultants are calculated using equations (41) and (42) of Chapter 6.

Step 4: The equation number listed on the third line should be Eq (45), not Eq (37).

Pg 410

Information necessary to solve the problems posed is missing. Add the following sentence to the paragraph immediately preceding Problem 1:

"Assume a ply thickness of 0.125 mm in all cases".
