Errors in Chapter 8:

Pg 437:
Sentence immediately preceding Section "5.2 EFFECTIVE FLEXURAL RIGIDITY...":
Sentence should refer to Equation (12), not Eq (11):
        "....strain distributions given by Eq (12), as discussed in earlier chapters."

Pg. 445:
The equation that appears just before Eq (20a) is missing two plus ("+") signs. The equation should read:

$$(2)\left[\left(\left.N_{xx}\right|_w\right)(h)\right]\left(z_b - t_{bf} - h/2\right)$$
$$+\left[\left(\left.N_{xx}\right|_{bf}\right)(b)\right]\left(z_b - t_{bf}/2\right)$$
$$+\left[\left(\left.N_{xx}\right|_{tf}\right)(b)\right]\left(z_b - t_{bf} - h - t_{tf}/2\right)=0$$

Pg. 482:

The first sentence in Section "9 Computer Program BEAM" should read:

        "The computer program *BEAM* has been developed to supplement the material presented in sections 4 through 6 of this chapter."
