

PHARM 511: COMMUNITY SERVICE OUTREACH
POTENTIAL RESEARCH QUESTIONS
WINTER 2008

The purpose of the research question is to help you focus your observations and reflections. Please select one of the following.

1. How does pain lead to other emotions?
2. How is pain used to deal with pain?
3. What does pain do to clients OR staff OR to the observer (including you as the participant observer)?
4. What are ways pain shapes what happens?
5. How is pain expressed at your Service Learning (SL) site?
6. To what do staff OR clients OR the observer (including you as the participant observer) attribute pain?
