

**PHARM 504: PHARMACY PRACTICE  
Winter 2010**

**MODULE 3 AGENDA  
Jan. 19, 21**

**Pre-lab Due:**

- Calculations HW#2, Adherence 2A assignment.

**Materials to bring to lab:**

This agenda, ProDUR HW for next week, lecture notes on ProDUR, analgesics

**Readings/ Prerequisite Knowledge:**

1. Review this week's and last week's lecture material
2. Review what you learned about calculations from PHARM 587

**Module Outcomes:**<sup>1</sup>

- 3.1 Accurately utilize ProDUR when processing a new prescription.
- 3.2 Demonstrate the steps of ProDUR when assessing the appropriateness of a prescription.
- 3.3 Accurately perform calculations used for IV preparations.
- 3.4 Demonstrate correct aseptic technique in the accurate preparation of a piggyback IV product.
- 3.5 Apply effective interpersonal communication skills to consult with a patient on a new Rx
- 3.6 Demonstrate professional behaviors and meet course expectations.

**Today's Activities:**

1. Prelab (~30 minutes)
  - Review activities from last week
  - Review today's activities – ProDUR, graded counseling, IV #2
2. Work on today's assignments (~130 minutes) **bolded items to be turned in today**
  - **3A: ProDUR Guided Design Exercise (H/P/R)**
  - **3B: Graded pt consultation on Rx (H/P/R)**
  - **3C: Sterile Prep #2: Piggyback (H/P/R)**
  - **any activities from last week if time**
3. Wrap up: collect assignments, preview next week's lab and clean up (~10 minutes)

**Professional Points:**

- 5 points: all students should be able to earn all 5 points if they arrive on time, are prepared for class (ie, have downloaded documents, HW done, etc), wear proper attire, demonstrate effective working skills during the lab (ie, work on assigned activities, not disrespectful to other student or instructors, work efficiently, etc.) Students not meeting these expectations will be notified.

**Homework:**<sup>2</sup>

- HW #3: ProDUR assignment should take approx 30 - 90 min

<sup>1</sup> These module outcomes are intended to help achieve course outcomes 1, 2, 5, 6, 9, 12, 16, and 17. Please refer to the Learning Outcomes section of Course Information on the course website.

<sup>2</sup> These are ESTIMATED times. Depending on your work style, your time may deviate from these estimates. If the actual amount of time spent on these activities deviates *greatly* from these estimates, please contact Dr. Hammer.
