

**PHARM 504: PHARMACY PRACTICE
Winter 2010**

**MODULE 6 AGENDA
Feb. 8, 9, 11**

Prelab DUE:

- IV label #3
- Unfinished Carb, Lipid, or Sugar ProDURs from last week

Materials to bring to lab:

- Module 6 agenda

Readings/Prerequisite Knowledge:

Review your new and refill patient counseling techniques to prepare for practice diabetes counseling.

Module Outcomes:¹

- 6.1 Develop knowledge to accurately consult with patients regarding medications that have unique delivery systems.
- 6.2 Demonstrate correct aseptic technique in the accurate preparation (including necessary calculations) of an intraocular product.
- 6.3 Apply effective interpersonal communication skills and techniques to consult with a person with diabetes.
- 6.4 Demonstrate professional behaviors and meet course expectations.

Today's Activities:

1. Prelab (~20 minutes)
 - Review activities from last week
 - Review today's activities – med admin stations, IO syringe prep, DM Counseling (Practice)
2. Finish Items from Previous Lab (~ 30 min)
 - **5B: Diabetes Rx and supplies checksheet** = P/R
 - 5D: Practice Diabetes Counseling

Work on today's assignments (~120 minutes) **bolded items to be turned in today**

- 6A: Medication administration worksheet = P/F (**will finish over 2 weeks**)
- **6B: IO syringe prep** = H/P/F

3. Wrap up: collect assignments, **GROUP 6** clean up (~5 minutes)

Professional Points:

- 5 points: all students should be able to earn all 5 points if they arrive on time, are prepared for class (ie, have downloaded documents, HW done, etc), wear proper attire, demonstrate effective working skills during the lab (ie, work on assigned activities, not disrespectful to other student or instructors, work efficiently, etc.) Students not meeting these expectations will be notified.

Homework:²

- IV #4 Prep: Prepare label for chemo prep. This should take no more than 5-10 minutes.

¹ These module outcomes are intended to help achieve course outcomes 1, 6, 9, 12, 16, 18, and 19. Please refer to the Learning Outcomes section of Course Information on the course website.

² These are ESTIMATED times. Depending on your work style, your time may deviate from these estimates. If the actual amount of time spent on these activities deviates *greatly* from these estimates, please contact Dr. Hammer.
