

**PHARM 504: PHARMACY PRACTICE
Winter 2010**

**MODULE 7 AGENDA
Feb. 16, 18**

Materials to bring to lab:

Module 7 agenda, SOAP and respiratory lecture notes, prepared chemo IV label

Readings/Prerequisite Knowledge:

- Knowledge from SOAP note and respiratory lectures

Module Outcomes:¹

- 7.1 Develop knowledge to accurately consult with patients regarding medications that have unique delivery systems.
- 7.2 Demonstrate correct aseptic technique in the accurate preparation (including necessary calculations) of a chemotherapy product.
- 7.3 Demonstrate ability to organize information into a complete SOAP note format
- 7.4 Draft a SOAP note based on a patient scenario
- 7.5 Demonstrate professional behaviors and meet course expectations.

Today's Activities:

1. Prelab (~30 minutes)
 - Review activities from last week
 - Diabetes counseling demo
 - Review today's activities – med admin stations, SOAP exercise, chemo prep, HW#6
2. Work on today's assignments (~120 minutes) **bolded items to be turned in today**
 - **6A: Medication administration worksheet = P/F** (continued from last week)
 - **7A: SOAP exercise = H/P/F** (groups 2, 4, 6)
 - **7B: Chemo prep = H/P/F** (groups 1, 3, 5)
3. Wrap up: collect assignments, **GROUP 1** clean up (~5 minutes)

Professional Points:

- 5 points: all students should be able to earn all 5 points if they arrive on time, are prepared for class (ie, have downloaded documents, HW done, etc), wear proper attire, demonstrate effective working skills during the lab (ie, work on assigned activities, not disrespectful to other student or instructors, work efficiently, etc.) Students not meeting these expectations will be notified.

Homework²

HW #6: SOAP note exercise (20 pts) DUE at beginning of lab next week for groups 2, 4, & 6

¹ These module outcomes are intended to help achieve course outcomes 1, 6, 9, 12, 16, 18, and 19. Please refer to the Learning Outcomes section of Course Information on the course website.

² These are ESTIMATED times. Depending on your work style, your time may deviate from these estimates. If the actual amount of time spent on these activities deviates *greatly* from these estimates, please contact Dr. Hammer.
