The student's information is displayed: 'Prepared for: James Average Student', 'Prepared on: May 23, 2012 at 4:02 p.m.', and 'Major: Mathematics'. A sidebar on the right lists 'Registration Resources' including 'Time Schedule', 'Schedule Finder', 'Course Catalog', 'Academic Calendar', 'Final Exam Schedule', 'General Education Search', 'Tips for Closed Classes', 'Tuition Rates', and 'Student Guide'. A yellow box contains instructions: '1. Review your address information below. If it is not accurate, use the Change of Address service to correct it. Student Health Insurance Plan (SHIP)

A voluntary student health insurance plan is offered to students and their dependents. For more information on the insurance plan, see the [Student Health Insurance Plan](#) home page. Quarterly or annual enrollment in the Student Health Insurance Plan is open until the third Friday of each quarter (the tuition due date). To be eligible for plan, you must be registered for courses during the current quarter AND remain registered through the third Friday of the quarter. If you will not be registering in a subsequent quarter you may still be covered by the plan if you purchase the annual plan in a quarter in which you are (and remain) registered through the third Friday of the quarter. Once you commit to annual insurance you cannot change your insurance for the remainder of the plan year. Changing your selection is allowed up through the 3rd Friday of the quarter but after that you are committed to the insurance you selected.

Summer Quarter - If you will NOT be registered for courses during summer quarter there are two ways in which you may purchase coverage: 1) you can select annual coverage when you register for courses during autumn, winter or spring; or 2) you may enroll as long as you were covered by the plan during spring quarter (this method has a higher premium).
