

Self-Evaluation of Your FISH/MICROM 490 Student Presentation

Watch and listen to your group presentation on the DVD. Evaluate your presentation below. Return your written self-evaluation to the instructor within one week after receiving your DVD. Ask for feedback from other group members and friends that are in the class. If possible, meet as a group and review your presentation. The DVD is yours to keep.

Student Name: _____

Topic: _____

Date of Presentation: _____

Presentation (oral and PowerPoint file) strengths:

Presentation (oral and PowerPoint file) mistakes and weaknesses. Anything you would do differently next time?
Suggestions for improving your presentation:
