

## Digital Design Practicum/ Spring 09/ Chalana/Assignment 1/ 10 points

You have been hired as a consultant by the Department of Planning and Development, Seattle to investigate the neighborhood character of Pike Pine District. Your findings are to be published as a book titled “Celebrating Everyday Urbanism: Seattle’s Pike Pine District by City Publications (<http://citypubseattle.com/>). The publisher has requested you to create a **dust jacket** that best represents your work. Use your evolving knowledge of InDesign, impressions from the neighborhood and specifications below to design a dust jacket.

### Specifications

Total size of the dust jacket: 21 X 10” (including a 1” spine and 3-1/2” front and back flap).

At the minimum the following information should be included:

- Title
- Author’s name
- Publisher’s information and logo
- Author’s Photo
- Biographical Sketch
- Advance Praises
- Illustrations from the neighborhood
- Original paragraph (500 words) describing the author’s impressions of the neighborhood character.
