

Digital Design Practicum/ Spring 08/ Chalana/Assignment 1/ 10 points

In preparation for the centennial celebrations for the Alaska-Yukon-Pacific Exposition in 2009, you have prepared a manuscript titled "Celebrating Seattle's Defining Moment in History: Alaska-Yukon-Pacific Exposition" which has been accepted for publication by the W.W. Norton & Company. Your publisher however wants your input on the design of the **dust jacket** for the book, which would come out in June 2009. Using your evolving knowledge of InDesign, impressions of the UW campus, photo documentation, online archival search, and specifications below please design a jacket for your publisher to review.

Specifications

Total size of the dust jacket: 11 X 17" Long (including a ½"- 1" spine).

The **front cover** ought to include the title, author's name, and publisher's information

The **spine** should include the title, your last name and the logo of the publisher

The **back cover** should include your photo, biographical sketch and a brief original paragraph on the text.
