Main Street Alehouse & Eatery

10111 Main Street
Bothell, WA 98011 425-485-2972

The Main Street Alehouse is actually walking distance from campus. This is a mix of mainly students, and a few alums who are interested in creating startups or working for fast growing ventures. The group now meets every other Thursday evening for the Spring Quarter.

1. Exit the UWB campus and make a left onto Beardlee. If you had made a right turn, you would soon be crossing over the I-405.
2. Follow the road, you'll pass the fire house and the post office on your right side, and Beardlee quickly becomes Main Street.
3. You have reached beautiful downtown Bothell, all four blocks of it.
4. The Main Street Alehouse will be on your left, next to Alexa's Café and Pen Thai. If you hit a signal, you drove too far. If you can't find street parking, there's ample parking in the back.
