

Program Elements

1. Water Fountain Sculpture / Mosaic Plaza

the grand plaza will have a water fountain with a very shallow splashing pond

2. Playstructure / Animal Shaped

animal shaped play areas to remind the users of the watershed climbing features, and the like

3. Built-in Seating / Table

areas for adults to sit and play games while watching their kids

4. Eco-Education

environmental art, habitat interaction, learning

8. Information Booth

created at the original entry for park information and doggie bag dispenser

7. 'Backyard' Picnic Area & Horseshoes

a laid back place to have a barbecue and relax with friends, or even celebrate a birthday or other festive occasion

6. Rolling Meadow of Mounds

you walk through gently rolling mounds containing seating in wood benches and grass / earth bench

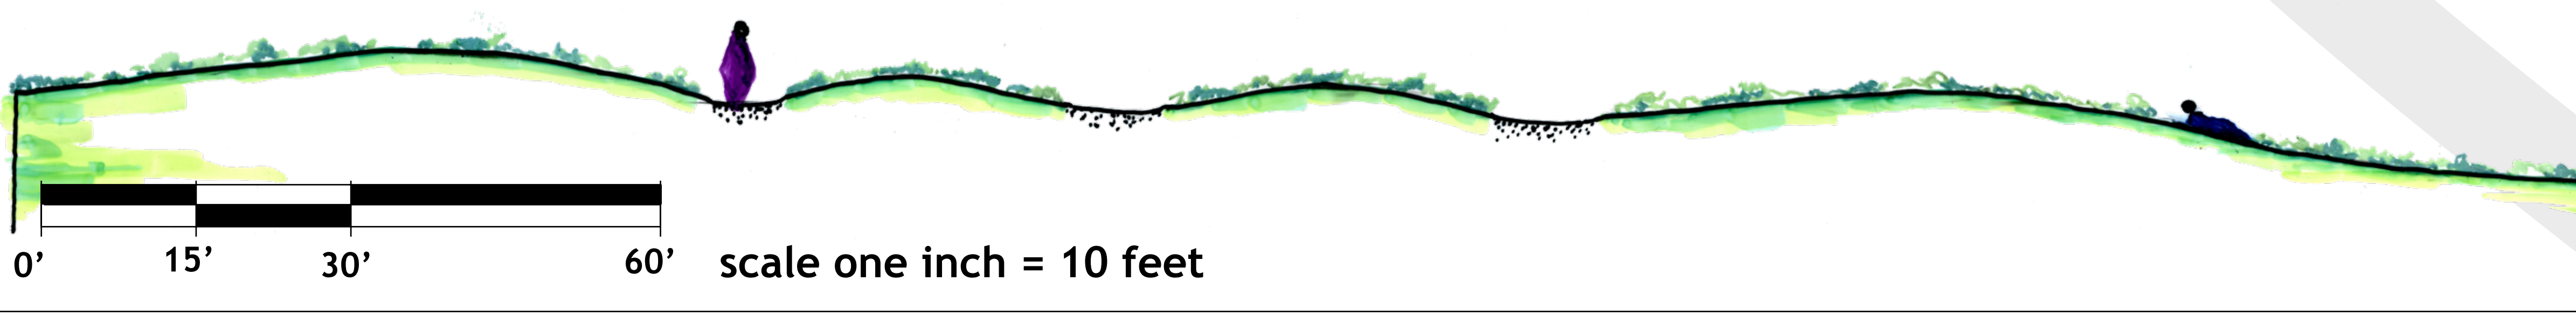

5. trail system

a circular trail system so the visitor can see the entire park
