You have been hired as a consultant by the Department of Planning and Development, Seattle to investigate the neighborhood character of Pike Pine District. Your findings are to be published as a book titled “Celebrating Everyday Urbanism: Seattle’s Pike Pine District” by City Publications (http://citypubseattle.com/). The publisher has requested you to create a dust jacket that best represents your work. Use your evolving knowledge of InDesign, impressions from the neighborhood and specifications below to design a dust jacket.

**Specifications**

Total size of the dust jacket: 21 X 10” (including a 1” spine and 3-1/2” front and back flap).

At the minimum the following information should be included:

a. Title  
b. Author’s name  
c. Publisher’s information and logo  
d. Author’s Photo  
e. Biographical Sketch  
f. Advance Praises  
g. Illustrations from the neighborhood  
h. Original paragraph (500 words) describing the author’s impressions of the neighborhood character.

**Sample**
